## ADMINISTRATION

Very few students realize the work that Mr. Rupert, Mr. Johnson and Miss Longwell do for them. Every day the administration devotes many hours to jobs that too often go unnoticed. Every student at B.A.H.S. should be proud of them. For their time, efforts, and guidance, the senior class of 1968 says thank-you.

The Brockway Area High School Rovers opened the basketball season this year faced with a major rebuilding job. Ten players were lost through graduation from the great 1966-67 squad, that compiled a 19-3 record, the best in the school's history. Coach McNulty and his staff were hopeful that last year's Junior Varsity, finishing with an 11-8 record, would gain experience quickly and be ready by the time Allegheny Mountain League play started in January. Faced with a lack of height, the Rovers had to hustle this season. The coaches were confident that the Rovers would again give a good account of themselves in the 1967-68 hardwood campaign.

## ALL-STATE PLAYER

Tom Green, Brockway's stellar performer on the hardwood last year, was named to the United Press International First All-State basketball for 1967. He becomes the third Brockway Rover basketball player in the past seven years to be so named and the first Brockway Area High School athlete to ever be named to a first team berth on an All-State team. Considering the difficulty of making an All-State team, it is a tribute to Tom and his teammates and a tremendous honor for Brockway Area High School. Tom was the recipient of a full NCAA Basketball Scholarship to Syracuse University and is presently a starter on the Syracuse Freshmen team.

Coach Magee

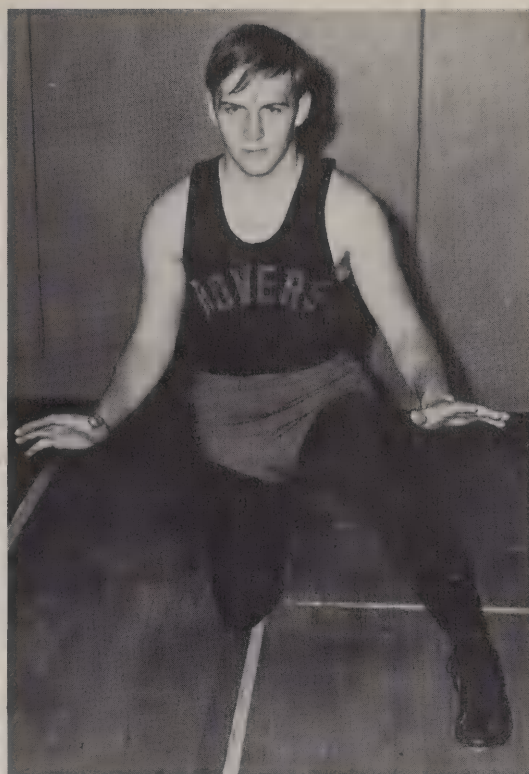

Under the able management of Mr. Harry Magee, the Rover grapplers had an exciting season. More student interest and greater crowds drove the Rovers on in their strive for victories. The administration also showed interest in our fine wrestling team by helping them acquire new warm-up jackets in the latter part of the season. After their fine showing this year, the Rover grapplers have high hope for the coming season.

# IN MEMORIAM

Mr. Finley B. Hess  
September 27, 1905; January 16, 1968

Mr. Glenn A. Mengle  
April 15, 1897; January 17, 1968

Lives of great men all remind us  
We can make our lives sublime  
And departing, leave behind us  
Footprints on the sands of time.

Footprints have been placed upon our community by the lives of two men who have contributed much to Brockway. Many of the footprints are known; more, undoubtedly, are not known.

During their lifetime as businessmen, they have endeavored to build a prosperous industry in our community and nation and thereby have enriched many of our lives. They led Brockway Glass Company so effectively that today it ranks second largest in the world in its field. They have also touched our lives through their personal contributions of effort, time, and money to our local and area projects.

Because of the many footprints they have left directly and indirectly on our lives and on the sands of time, it is fitting that we, the class of 1968, express our appreciation by paying tribute to these men.
